Proof of adequate health insurance cover

If as an employee you are subject to mandatory statutory health insurance, you must bear in mind that this insurance can only begin when you take up residence in Germany and enter into employment. If you enter Germany beforehand, private health insurance must be taken out for the period prior to employment beginning and prior to being eligible for statutory health insurance. In its terms and conditions, travel health insurance can exclude protection if a long-term or permanent stay is planned. So-called incoming travel insurance can also contain such exclusions.

Fees:

75 €, payable either by Visa/Mastercard or in cash in DKK (approximately 560 DKK, depending on the exchange rate)

Important information:

Missing documentation delays the procedure and can result in your application being rejected. The embassy reserves the right to request further documents. Certificates, diplomas, etc. must be presented in the original with apostille/legalization.

Once all required documents have been submitted, the application and supporting documents will be forwarded to the competent German authorities at the applicant's intended place of residence and employment during his/her stay in Germany. **The processing time** is as a rule ca. 2 – 4 weeks, but can take longer in individual cases.

Please do not contact the embassy to check the status of your application during the normal processing period. Such inquiries are extremely time-consuming for the visa section and can thus not be answered.

All data contained herein are based on the knowledge and experience of the Embassy at the time of drafting this information sheet. However, no liability can be assumed for the completeness and accuracy.
